House & Officers Update

Treasurer Update

- \$25,000 budget
- Whenever you buy stuff, fill out a reimbursement form, located next to HSS office inside folders. Slip it under Terry's door (with co-chair's signature and your receipt)
- Katy proposes that the group in charge of an event should fill out a budget sheet (from UPC)
- Stephen: if it helps you plan, do fill out a budget sheet, but otherwise not necessary

Nuts and Bolts

Jobs of officers and specialized roles

- No house events for now
- Publicity committee: we need people to get flyers up and get us into the papers, radio, and other forms of media. **Anna is publicity committee member #1!**
- Banquets: you'll mainly work with Lisa Shutt. In the past, we host banquets by different houses. This year we hope that residents will have a voice, but this is still up in the air.
- Our next banquet is on October 11
- How can we engage non-HSS Herefordians to help us plan banquets? CJ: people do publicity by event
- **Phil explains publicity vs. advertisement. Publicity is letting the public and wider UVA know about Hereford, usually after an event. Advertising is getting people to come to our events.**

Pre-game BBQ

- Sign-ups for newly elected senators
- State rule: you can't serve (small) bottled water if you're on-Grounds
- **Keep fruits and veggies, potato salad in ice bucket next time**
- **We will use Vaughan water. If you plan to use Vaughan water, tell a co-chair so they can tell Terry**
- Email Phil if you need shopping trips to Sam's Club. Only need one person. If you are going with Phil, prepare a shopping list. Get people to help unload.
- Stephen has a list of how much supplies is needed for a type of event
- **BBQs will be at Vaughan from now on!**

Send your picture and a short bio to Phil ASAP!
