### Neal Fox - Short Speech (5 min)

Running-Candidate for Stud.Co President

2nd year in the College

Starting a MS degree next year

His goals:

A lot of the things can be improved by setting priority

Right now - student council is an individual body; not achieving all the things

Want to turn around Stud.Co and make it a umbrella

Want to ask the organizations and CIO what the students want and the driving force

Right now, for some reason, the student council isn't

BIG: Sweat session, Center stage

Minority concerns

Environmental concerns  
Committee members and closed-door to brainstorm  
A week later - will open the table and open to the  
press/student group  
Obligates what student council needs to do  
Concerns HSS - seeking ideas from student,  
please email if you have any  
questions/comments/concerns: [nfox@virginia.edu](mailto:nfox@virginia.edu)

#### Event Recap

##### I-hop Night

Rides- don't accept rides from people who you can't  
trust/reliable on; have enough people to drive  
We (Hereford) will be willing to pay for the bus if we get  
a large group of people

#### Nuts and Bolts

Must submit events list today
