Discussion and Vote: Senator representation for 09-10

Next Year's Hereford - Whyburn and Norris/ 50 people from Gooch /Dillard

"At Large" senators - Spring election would be representing Hereford

Can the Gooch Dillard get into Vaughan house?

School beings on August 25th, Senators would have to come in early to help plan events (maybe the Thursday before- they can move -in)

At large senators - plan events for Hereford, before the full senate is selected and voted

Other suggestions for representing the new makeup of Hereford

Voted by the HSS

Guidance to the new senators

"At Large" Senators will be voted by the entire Hereford

community

Elections by the end of April

All votes passed

Vote for Re-runs

Voted on by senators

Spring Elections (Mid-April)

Online elections

People submit name to Phil (trella@virginia.edu)

And then have an online poll

This would allow people to vote for senators of
other houses

@UVA can control the user and log-in information

Officers elections

Voted by senators

If voting is done online- less personal, reading
paragraphs

So we will stick with traditional system

Only senators can run for officer and Co-chair

Have RAs involved in the election process?

Admin team - Reem and Chad

VOTE (RAs get to vote along with the senators)

Keep within Administration

Have the RAs vote for the officers and leadership-
talk to Reem and Chad

Discussion and Vote: Table the Constitution for revision

VOTE : Hereford is changing, thus the constitution should
also change

Constitution on Hereford website
